MANY PEOPLE ENJOY JAPANESE WARSHIP HOSPITALITY

The inspection of the Japanese squadron by all the Honoluluans and the outside district Japanese yesterday brought forth the largest and the most orderly group of spectators seen on the waterfront for a long time.

The ship of Dai Nippon now in port were thrown open to the inspection of the people and the officers from Admiral Tonikawa down who are always polite with their guests, accorded them all the courtesies of a friendly Japanese. Admiral Tonikawa's flagship, the Itsukushima, was the center of attraction, as the crowd wanted to see the admiral, Captain Nawa and Lieutenant Tsukamoto, the captain of Rojostovsky. Some of the people considered themselves very fortunate in seeing the admiral while others of their guides were showing Lieut. Tsukamoto, who gained fame in the Russo-Japanese war. The lieutenant speaks English very well and his guests listened with great interest to the stories of the great naval battles. The cruiser Hashidate, Capt. Yamagata's ship, was crowded from stem to stern. On board the Matsushima, Capt. Nomaguchi, the flagship of the Japanese fleet in the China-Japan war, the spectators were likewise treated well. Most of the officers of the ship speak English and the crowd had no difficulty whatever in gaining information.

The Matsushima was classed as a battleship in the China-Japan war and made a history of her own. She was the flagship of Admiral Saito then and was in the thick of the battle.

The following notice, which was posted on the 12-inch gun, gives an account of her engagements: September 17, 1894, in Yalu, Feb. 7, 1895, Fort Len King Tan, March 23, 1895, Fort Pescador, July 26, 1904, Lai Lai Chai, Aug. 9, 1904, Takhe Bay; May 27-28, 1905, Naval battle in Japan sea, July 7, 1905, Saghalin, and July 24, 1905, Japanese land in Casterica.

WILL THEY LAND?

The following cablegram from Secretary of State Root to the Governor late Saturday afternoon shows, without a shadow of doubt, just where the Japanese of Hawaii are at, regarding their chances of getting in on the mainland: Washington, Feb. 23. To Governor Carter, Honolulu. Immigration Act approved Feb. 20. Provision affecting alien laborers from Hawaii now in force.

ROOT. The Mongolia carried away between 300 and 400 Japanese, bound for California on the Tuesday prior to the signing of the Act. It is expected that they will be denied admission to the mainland, and interesting developments are awaited.

The Russian Empire holds the record of having under its sway 65 separate and distinct racial groups.

RECEPTION GIVEN

ON BOARD
JAPANESE FLEET

The Japanese public of the Territory is being entertained this afternoon aboard the Japanese squadron between the hours of 2 and 6 o'clock, at an "At Home," and plantation laborers have already flocked into town by this morning's trains.

The ships are beautifully decorated and the flagship Itsukushima will be the center of attraction. The affair is strictly limited to the Japanese population. The flagship Itsukushima is decorated with the artificial cherry blossoms and other artistic flowers of Japan, while the international colors beautify the ship itself. A representation of a Japanese battleship, with all the modern inventions is mounted on a stand. The wireless implements aboard the little battleship can be put in operation without any hitch.

Tea and refreshments will be served aboard the Itsukushima and the midshipmen's quarters on the Matsushima have been turned over for the use of the ladies. The decorations on the Matsushima are similar to those of the Itsukushima. The Ha-

shidate differs in her decorations. Her guns are decked with the Hawaiian greens and the interior of the ship is neatly dressed with the national colors. Gymnastic exercises will be held on the wharf between the Itsukushima and Hashidate. Fencing, wrestling and races will be watched with much interest. The main gate which leads to the Itsukushima and Hashidate, is guarded by the Japanese marines and a long tarpaulin adorned with the flags, running between the ships obstructs the view of the wharf.

The officers of the ships will see to the wants of their guests and dinner will be given aboard the Matsushima at 5 o'clock.

It was reported this forenoon that a few interesting songs would be sung by the crew and likewise by the Honolulu Japanese.

Miki Saito, the Consul General, and his staff will witness the exercises and prizes will be awarded to the winners of the contests. An invitation has been sent to Admiral Very and his staff and a real good time is expected.
